FROM BRANCH CLOSURES TO VIRTUAL ACCESS

# Built by bankers who saw the *gap*.

**Charles Oligbo** spent years inside fintech at Bankjoy and Alkami before founding Sawport with **Victor Adetiba**. They watched community banks and credit unions lose physical reach while customers in rural and underbanked areas needed personal service most.

Today, Sawport is an AI powered Virtual Branch helping community financial institutions deliver 24/7 personalized banking from anywhere, with partners including **Heritage Hub Federal Credit Union**.

**Black founded****Community FI focused****CAFE alum****Heritage Hub FCU partner**

*Why don't we just take the **branch** and put it right at their fingertip, where they can do everything without having to step out of their house?*

*Banking should be accessible to **everyone**, anytime, anywhere.*

# Closing the *service gap.*

## CORE BENEFICIARY

### Rural and branch desert customers

Low and moderate income (LMI) households in rural and underbanked areas where physical branches have closed, leaving residents without face to face access to banking services.

## FI ENABLEMENT

### 24/7 personal service at fintech cost

Community banks and credit unions extend their reach into underserved areas without the capital cost of building physical branches.

## DIRECT CRA ALIGNMENT

Enables community financial institutions to earn **Community Reinvestment Act credit** by extending personalized banking services into LMI rural and branch desert geographies, expanding meaningful access where physical infrastructure is no longer viable.

# 30 fintechs. One *scaling* network.

Through CAFE, Sawport connected with community banks, credit unions, investors, and industry leaders accelerating their path to serving LMI communities at scale.

## CAFE PARTNERS

**ABA** American Bankers Association

**AFC** American Fintech Council

**WSFS** CARES Foundation

**SBDC** Small Business Development Center

**M&T** M&T Bank

**CRB** Cross River Foundation

## Help CAFE scale the next cohort.

Every dollar fuels founders building financial equity for LMI communities. CAFE supported activity qualifies for CRA community development consideration.
